

Belle

- 28 Charming, maybe you don't have to just rescue princesses. Maybe you could... find a new purpose?
- 30 Sure, but there's more to being a hero than just rescuing princesses, you know.
- 47 She has a point. After all, our old stories have bravery, friendship... good and evil. Things like that aren't old.
- 56 Something's not right... This breeze feels strange (closes her book and looks around) It's almost like... magic is in the air. I should've brought more books.
- 57 Fine! Enchanted forest or not, I'll figure this out. (walks offstage)
- 113 Sleeping Beauty? It's been ages! I didn't know you were a travelling fashionista now.
- 115 Guilty. I'm here to learn more about the forest, but I keep getting distracted by this odd wind. I felt it a few minutes ago, and it felt... enchanted.
- 117 I think it's more than that. I've seen others in the forest today too. It seems like we're all being drawn together.
- 119 True. I think we should find the others. Whatever is causing this, we might be stronger together.
- 124 I knew we weren't alone in this strange forest! It's as if we were all called here.
- 141 Hermione Granger? The clever, noble witch from those stories?
- 156 She did say she wants to be understood. Maybe if we work together, we can help her understand us too.
- 175 See? We're making progress! Together, we're unstoppable!
- 186 (firmly) Yes, we can. We've all faced our own battles and won. This is just one more challenge!
- 201 To seek knowledge and bring out the good in others!
- 204 We did this together. Each of us played a part.
- 224 And we owe some of this to you too, Witch. Even if you don't want to admit it.
- 238 But witch. Don't you see. We needed you and I'm sure we will need your help again.

243 I hope she remembers that that's what started all this trouble!

249 I really enjoyed finding the goodness and helpfulness within all of them.

250 Maybe this journey was about more than just defeating storms.
