

Prince Charming

- 23 Ladies! I'm here to rescue you (notices their reactions)
What? I'm supposed to... it's what I do.
- ? But... but I'm Prince Charming! Everyone needs a Prince Charming!
- 29 But rescuing is what I'm good at. Also my hair... (touches his hair)
incredible, right?
- 86 Ah, ladies! Allow me to assist you in any trials you may be facing.
(pauses, squinting at them) Are either of you a princess
in need of rescuing?
- 89 On your own? Without a brave hero?
- 91 Well, I... suppose I'll leave you to it, then. If you see any
princesses in distress, let me know. I'm practically an expert.
- 95 More like a failed quest. Nobody seems to need my help anymore. All the
ladies here seem to... rescue themselves.
- 97 Daring, you say? Do you know of any... dragons to slay or damsels to save?
- 99 I accept this challenge! (marches off)
- 123 Fear not, friends! I have retrieved the mystical pinecone.
- 132 (standing tall but looking uncertain) I'm ready to
rescue...something! (pauses) But... what if it's dangerous?
- 143 (cheerfully) But that is the great thing about her! She always uses her
knowledge for good.
- 152 A shield with a built-in hairbrush?
- 169 A cliff you say. A minor set-back. I'll lead us gallantly to the top!
- 185 Are we sure we can do this?
- 197 To be useful beyond just saving princesses!
- 214 But...what does this mean for me? I've always been "the one" to save the
princesses, and now I'm not sure where I fit.
- 216 A superhero, you say? I like the sound of that! But... what should my
superhero name be?
- 218 Too serious. How about "Captain Charisma"?
- 222 Now that has a ring to it!
- 242 Help, huh? We'll see how long that lasts.
