

Witch

- 31 Oh, don't mind me. I'm just here to get some ingredients.
- 33 Hmmm. Herbalist, are you? Careful, or you might end up like me! (laughs)
Although that's not so bad...
- 34 Oh, I can be very scary, Puss. Just ask Hansel and Gretel... or should I say
Gretel and Gretel! (cackles)
- 36 Oh, no. I'd hate to spoil the fun. Besides, you're adorable this way!
- 107 Puss. Stop meddling. Sending a prince off for a "mystical pinecone?"
Really?
- 109 Then let's see how you like my kind of fun.
- 136 Well, well, isn't this an adorable little group. The fairy-tale elite,
come together to face my storm?
- 138 (rolling her eyes) Oh, do I look like a villain?
- 140 Yes, It's true. I'm no goody-goody Granger!
- 142 Yes, her! Always so... helpful, she always knows everything!
- 145 Weelll. I may have created the right conditions. Years ago, I cast a spell
on an annoying prince... (pauses dramatically) There was a bit of a
side effect. Eventually... (gestures grandly)
- 147 To stop the storm, you'll need to reach the cliff of dreams.
- 153 No. Have you learned nothing yet? You will only get what you want if you
give something of yourselves. You will need to work together to climb to
the top. But once you are there... You will need my help.
- 158 Alright, fine. I'll help. But let's make it interesting... who can climb
the fastest?
- 164 (holding a bottle) Anyone need a little encouragement potion? It'll make
you climb faster... and feel braver, too.
- 167 Oh, Life is dull without surprises!
- 180 (to herself) Hmm, what would Hermione do? (loudly) I'll need all of your
help. We have to create a counter-hex potion. And it will need
ingredients from each of you.
- 184 Perfect! Now, for a sprinkle of chaos! Just a touch of my own magic to...
enhance it.
- 205 (softly) Well, I suppose that was good even for Hermione Granger.

- 207 Hmph. No! Don't imagine things! Now, let's get off this cliff before my hair frizzes up in all this magic.
- 225 Oh, fine. But don't make this a sentimental moment! I'm going back to the library to find out how to put a tail on Hansel.
- 234 Yes, off you go to your sweet little stories. Meanwhile, I'm left with a tower that's empty and dark! (She points at Sleeping Beauty)
And you're too busy with your fashion line to keep me company!
- 241 Knowledge and power used to he... ha...Who knew?
